### Reduced Freight Rates to the Kentucky State Fair.

The Kentucky State Fair Management announces that it has secured a positive reduction in the switching charges into the Kentucky State Fair grounds on all kinds of freight, including live stock, from \$7.00 per car in and \$8.00 per car out. They believe that in a short time they will be able to induce the railroads to absorb all the switching charges and, in fact, have the promise of some of the railroads to do so and are anxious that all exhibitors know that they will not have to pay such a high rate, even if they have to pay anything, as they paid last year.

### Warehouse Company Liquidating

The Bourbon County Tobacco Warehouse Company is liquidating. J. A. LaRue, President, and John T. Collins, Secretary, have been busy paying to shareholders one hundred cents on the dollar. The earnings will be paid out later.

### Irish Magistrate's Way.

Nearer seven feet tall than six was the father of the present earl of Enniskillen. He was a magistrate and a mighty fox hunter. He used to come to the "justice room" ready dressed for hunting quite early in the morning, in order to hear cases before he started off to the meet. His practice was to hear the plaintiff and then horsewhip the defendant, abusing him for behaving in such a blackguardly manner. Then he heard the defendant and afterward horsewhipped the plaintiff. It is said that both parties left the court perfectly satisfied, each saying that the other had been horsewhipped by his honor.

### To the Growers of Tobacco in Bourbon County.

The pooling solicitors are in the field. They are expected to visit every grower in the county. Since the solicitor is required to call but once it is important that landlords and tenants shall have consulted and decided what they will do, so that he can correctly put down their names on the pooling or on the non-pooling list.

If you pool, your act is in order to have a voice in pricing and weighing your tobacco.

To pool is to vote for a seventeen, instead of a six cents price on your tobacco.

To pool is to help yourself and your brother farmer to liberty, and your families to a better living.

Not to pool is to deprive yourself and your fellow farmer of your right to a voice in fixing the price and the weight of your product, and, in an unbusiness-like way, to wholly turn over the pricing and weighing to the tobacco trust, having this power it will oppress you.

Not to pool is to do what you can to defeat a peaceable move to throw off oppression, and to obtain a better living for your families.

Remember nothing so rivets the chains of oppression upon a people as a continued and tame submission to being wronged.

The trusts have not, and cannot, defeat the farmer. He can easily defeat himself by not pooling.

Chairman of Bourbon County Board of Control.

#### TUESDAY'S GAME.

The Bourbonites went down in defeat Tuesday afternoon at the hands of the Winchester Hustlers by a score of 5 to 3. The crack Toney of the Hustlers lasted only three innings, when he was replaced in the box by Burden, who kept the Bourbonites down to three hits for the last six innings. Toney as touched up for six hits in the three innings he pitched.

Schenberg looked good for a great game, but went up in the air in the sixth inning, when the visitors landed on him for six hits, scoring four runs. Schenberg then retired in favor of Poole, who had great control and speed, fanning five off the Hustlers' heaviest batters. Among the features of the game were the fielding of Ochs, Dugger and Scott. The following is the score by innings:

Paris.....00201000-3  
Winchester.....10000400-5  
Two-base hits—Seeback, Vandine, Reed. Struck out—by Schenberg, 1; by Poole, 5; by Toney, 3; by Burden, 4. Base on balls—off Schenberg, 1; off Toney, 1; off Burden, 3. #### WEDNESDAY'S GAME.

The Bourbonites had their batting clothes on at Frankfort Wednesday and drove Baker from the mound for Frankfort in the first inning. Wright relieved him and fared but little better. The score was 6 to 3 in favor of Paris. The features in the play of the Bourbonites were the batting of Dugger, Barnett and Ochs. In fact, every man on the team, with the exception of Winchell, hit the ball hard, and seventeen hits were secured by them. Frankfort secured ten hits off of Winchell. Following is score and summary:

Paris.....20003010-6  
Frankfort.....00000021-3  
Earned runs—Paris 4; Frankfort 3. Home runs—Bohannon, Yantz. Two base hits—Ochs, Elgin Angemier, Wright. Hits—off Baker 3; off Wright 14. Left on bases—Paris 10; Frankfort 9. Sacrifice hits—Scott, Strader. Stolen bases—Ochs, Seeback. Struck out—by Winchell, 2; by Wright 1. Base on balls—off Winchell 1. Hit by pitcher—Baker. Double plays—Goodman to Seeback; Bohannon to Crutcher to Angemier. Time 1:40. Umpire—Hanley.

#### YESTERDAY'S GAME.

The game at Frankfort yesterday was won by the Lawmakers by score of 5 to 2. Poole was on the mound for the Bourbonites, but was relieved in fifth inning after Frankfort had made four runs. Dugger was then put in to save the game but it was too late, as the game was already lost. Crutcher pitched for Frankfort. We were unable to learn any of the particulars of the game, as the boys did not arrive

home until after we went to press. The score, however, tells the tale, which is bad enough without any comments. The following is the score by innings:

Paris.....000001100-2  
Frankfort.....011201000-5

#### Quicksteps Break Even.

The Paris Quick-Steps, the colored base ball aggregation of this city, went to Maysville for a couple of games this week with a colored team of the latter city, losing the first game by a score of 7 to 2 and winning the last game by a score of 9 to 3.

#### New Aeroplane Record.

Paulham broke the world's record for duration of flight, remaining in the air two hours, fifty-three minutes and twenty-four seconds at Rheims, France. He descended only when his fuel became exhausted. Glenn H. Curtiss, the only American contestant in the aeroplane races, covered a lap of the course in an effort to break the record for this distance, made by Blériot. Paulham used a Wright machine.

#### Tool of the Machine.

Addressing an audience of 10,000 at Anderson, S. C., Wednesday, at a reunion of the "Red Shirt" men, who in 1876 wrested the political machinery of the State from the negroes and carpet-baggers, United States Senator Tillman declared that President Taft is "the tool of a great political machine," and that the President's appointment of census enumerators in the South is but a furtherance of his efforts to break the "solid South." He said the "machine" is preventing Mr. Taft from carrying out his intention, as expressed in his Atlanta speech.

Senator Tillman warned the people of the State against compulsory education, saying that it would prepare the negroes for the ballot and might in time result in them controlling elections in South Carolina.

The reunion was featured by a parade, in which several thousand members of the "Red Shirt" brigades participated, mounted and wearing red shirts. Many women took part in the parade.

#### Resting in Seclusion.

Two thousand feet above the sea level, at his country estate near Arden, N. Y., Edward H. Harriman is resting in seclusion Wednesday night. Shielded from business cares, harried from visitors, practically isolated in his mountain home, he disappeared from the public eye in a manner no less romantic than his display of grit upon his arrival from Europe Tuesday.

With the click, click of the automatic railway that bore him, seated in an automobile to his lofty home Tuesday night, he was whisked from view like a stage manikin in a toy automobile. Then the curtain dropped and news of E. H. Harriman almost ceased.

#### Willson Speaks.

The leading feature on Wednesday's program of the annual convention of the American Bar Association in session at Detroit was an address by Gov. Augustus E. Willson, of Kentucky, who spoke on "The People and Their Law." In the course of his address interesting incidents were presented concerning the "night rider" depredations in Kentucky's tobacco war.

#### Six-Legged Lamb.

Mr. John Burgess, a Bourbon county farmer, has one of the most remarkable animal monstrosities that has been known in this section of the country for a long time.

The creature is a lamb and its remarkable features are two extra legs which it uses with more or less dexterity and which are as well shaped and as perfectly formed as its four regular, ordinary common sheep understandings.

This lamb, which Mr. Burgess proposes to exhibit at the Bourbon county fair was born in the late spring and has lived and thrived like the other youngsters of his flock. The two extra legs are located close to its front legs and during its short existence of a few months it has attracted considerable attention in the neighborhood of Mr. Burgess' farm.

#### Coyotes in Fleming.

Several coyotes have appeared in the Fleming county, reports the Gazette. The animals have been in the vicinity of Locust for several years, and came from a pair of pet coyotes brought there by one of the residents. In the past year or so several of the wolves have been killed, and several of the pups were captured. They are very shy, however, and it is difficult to get within gunshot of them.

#### She Turned Other Side.

The Georgetown, O., News-Democrat says that Mrs. Annie Herrod, a woman evangelist hailing from Maysville, Ky., has been having a tempestuous meetings at a campmeeting near Satterfield's Chapel, in Adams county. She had lambasted secret orders and backsliders with stinging phrases, when, on Friday night of last week, she was suddenly confronted by a big tomato. It struck her in the side. Turning to the hoodlum who threw it she cried: "I'll remember the Biblical injunction, and turn the other side to the enemy!" Nothing more coming she finished her sermon without interruption.

#### After Masonic Home.

The Masonic lodges of both Paducah and Elizabethtown extended handsome offers to the board of trustees of the Masonic Grand Lodge of Kentucky if they would move the old Masonic Home, at Shelbyville, to their respective towns. The board expressed the opinion that it was independent to move the home from Shelbyville. The Masons of Paducah extended an offer of \$5,000, with a possibility of increasing the amount to \$10,000, if the board would consent to remove the home to that town. Elizabethtown Masons offered several sites or \$5,000 in cash to take the home there.

#### Performed Two Ceremonies.

A marriage in England, with two ceremonies, attracted some interest. The bridegroom was Charles Cooper, who has long been associated with the ethical movement in England. The mother of the bride objected to only the civil marriage and he objected to a marriage in a church. So in the morning the civil marriage was performed and in the afternoon an ethical marriage at the home of the bride. The vows taken were the same as those taken by persons married in the orthodox way, and the ethical phase was not very evident.

#### Election Commissioners.

After electing Adolph Wells as secretary for the ensuing year as an endorsement of his first year of service, the State Board of Election Commissioners at Frankfort Wednesday afternoon appointed County Election Commissioners for most of the counties in the State. The Democratic list was not ready Wednesday morning when the commission met, so an adjournment was taken until afternoon.

The first county where there was a protest was Bourbon, where the Republicans did not want the old commissioner appointed. The commission agreed without any trouble on the man selected by Judge C. R. McDowell, the Democratic member.

For Bourbon, Pat Kane, Republican, and Ed Rash, Democrat, were named by the commissioners. The Sheriff of the county is the third member by law.

#### Learning Her Weight.

Hamburg Belle defeated Uhlman in two straight heats in their match race at Cleveland, O., Wednesday and also set a world's record for a trotting race and for the fastest two heats ever trotted. The new record for a mile is 2:01 1/4 and was made in the first heat of the race. The former record of 2:03 1/4 was held by Wresceus. The stallion made the record in a match race with the Abbot at Brighton Beach in August, 1901.

Sweet Marie formerly held the record for the fastest two heats trotted, having made miles in 2:04 1/4 at Syracuse, N. Y., September 12, 1906. Hamburg Belle's time is 2:01 1/4 and 2:01 1/4.

Immediately after the first heat Hamburg Belle was sold to H. M. Hanna, of Cleveland, for \$50,000 by Edward and Joseph Madden, owners of the mare, and sons of John E. Madden. Mr. Hanna will permit the mare to finish her season, including the series of races of two best in three between the mare and Uhlman.
